Re: Alereon Application for Class II Permissive Change of Single Modular Transmitter  
FCC ID: U9YAL5721

To Whom It May Concern:

Please be advised that the following exhibits are to be held confidential on behalf of Alereon:

Schematics  
Block Diagrams  
Bill of Materials

Additionally, Alereon requests short-term confidentiality for the following exhibits.

Internal and external photographs

This application contains technical information that Alereon considers to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place.

A handwritten signature in black ink, appearing to read "David Dickson", is located below the text of the letter. The signature is stylized and cursive.

David Dickson  
Senior Principal RF Engineer  
Alereon, Inc.
